

## LEVEL PAY

We offer Level Pay to account holders who have made their payments on time consecutively for 12 months, this helps when individuals try to set budgets for their income. If you are an account holder that has met his/her payment **on time** for 12 months consecutively and would like to become a level pay customer; please fill out an application. Level pay is your average figured from your previous 12 months usage. Each year Level pay is re-figured in September to adjust from changing usages. New customers must wait until their account has been opened for a full year to apply.
